BCC and Community Planning

What is Local Area Working?

It’s about:
- the services we already provide
- the contributions to area-based initiatives
- the methods we use to engage with citizens
- the local area data

How have we done this?

i. devising a City Place geography for gathering local intelligence
ii. developing a Neighbourhood Intelligence System to store local information
iii. conducting a My Neighbourhood citizen engagement programme
iv. coordinating the council’s commitment to Neighbourhood Renewal
